APPENDIX

Section 5 of the Interstate Commerce Act, 49 U.S.C. 5, provides in pertinent part:

§ 5. *Combinations and consolidations of carriers.*

* * * * *

(2) *Unifications, mergers, and acquisitions of control.*

(a) It shall be lawful, with the approval and authorization of the Commission, as provided in subdivision (b) of this paragraph—

(i) for two or more carriers to consolidate or merge their properties or franchises, or any part thereof, into one corporation for the ownership, management, and operation of the properties theretofore in separate ownership; or for any carrier, or two or more carriers jointly, to purchase, lease, or contract to operate the properties, or any part thereof, of another; or for any carrier, or two or more carriers jointly, to acquire control of another through ownership of its stock or otherwise; or for a person which is not a carrier to acquire control of two or more carriers through ownership of their stock or otherwise; or for a person which is not a carrier and which has control of one or more carriers to acquire control of another carrier through ownership of its stock or otherwise;

* * * * *

(b) Whenever a transactions is proposed under subdivision (a) of this paragraph, the carrier or carriers or person seeking authority therefor shall present an application to the Commission, and thereupon the Commission shall notify the Governor of each State in which any part of the properties of the carriers in-

volved in the proposed transaction is situated, and also such carriers and the applicant or applicants (and, in case carriers by motor vehicle are involved, the persons specified in section 305(e) of this title), and shall afford reasonable opportunity for interested parties to be heard. If the Commission shall consider it necessary in order to determine whether the findings specified below may properly be made, it shall set said application for public hearing; and a public hearing shall be held in all cases where carriers by railroad are involved unless the Commission determines that a public hearing is not necessary in the public interest. If the Commission finds that, subject to such terms and conditions and such modifications as it shall find to be just and reasonable, the proposed transaction is within the scope of subdivision (a) of this paragraph and will be consistent with the public interest, it shall enter an order approving and authorizing such transaction, upon the terms and conditions, and with the modifications, so found to be just and reasonable: * * *

(c) In passing upon any proposed transaction under the provisions of this paragraph, the Commission shall give weight to the following considerations, among others: (1) The effect of the proposed transaction upon adequate transportation service to the public; (2) the effect upon the public interest of the inclusion, or failure to include, other railroads in the territory involved in the proposed transaction; (3) the total fixed charges resulting from the proposed transaction; and (4) the interest of the carrier employees affected.

(d) The Commission shall have authority in the case of a proposed transaction under this paragraph involving a railroad or railroads, as a prerequisite to its approval of the proposed transaction, to require, upon equitable terms, the inclusion of another railroad or

other railroads in the territory involved, upon petition by such railroad or railroads requesting such inclusion, and upon a finding that such inclusion is consistent with the public interest.

(e) No transaction which contemplates a guaranty or assumption of payment of dividends or of fixed charges, shall be approved by the Commission under this paragraph except upon a specific finding by the Commission that such guaranty or assumption is not inconsistent with the public interest. No transaction shall be approved under this paragraph which will result in an increase of total fixed charges, except upon a specific finding by the Commission that such increase would not be contrary to public interest.

* * * * *

(4) *Control effected by other than prescribed methods.*

It shall be unlawful for any person, except as provided in paragraph (2) of this section, to enter into any transaction within the scope of subdivision (a) of paragraph (2) of this section, or to accomplish or effectuate, or to participate in accomplishing or effectuating, the control or management in a common interest of any two or more carriers, however such result is attained, whether directly or indirectly, by use of common directors, officers, or stockholders, a holding or investment company or companies, a voting trust or trusts, or in any other manner whatsoever. It shall be unlawful to continue to maintain control or management accomplished or effectuated after the enactment of this amendatory paragraph and in violation of its provisions. As used in this paragraph and paragraph (5) of this section, the words "control or management" shall be construed to include the power to exercise control or management.

(5) *Transactions deemed to effectuate control or management.*

For the purposes of this section, but not in anywise limiting the application of the provisions thereof, any transaction shall be deemed to accomplish or effectuate the control or management in a common interest of two carriers—

(a) If such transaction is by a carrier, and if the effect of such transaction is to place such carrier and persons affiliated with it, taken together, in control of another carrier;

(b) if such transaction is by a person affiliated with a carrier, and if the effect of such transaction is to place such carrier and persons affiliated with it, taken together, in control of another carrier;

(c) if such transaction is by two or more persons acting together, one of whom is a carrier or is affiliated with a carrier, and if the effect of such transaction is to place such persons and carriers and persons affiliated with any one of them and persons affiliated with any such affiliated carrier, taken together, in control of another carrier.

(6) *Affiliation with a carrier defined.*

For the purposes of this section a person shall be held to be affiliated with a carrier if, by reason of the relationship of such person to such carrier (whether by reason of the method of, or circumstances surrounding organization or operation, or whether established through common directors, officers, or stockholders, a voting trust or trusts, a holding or investment company or companies, or any other direct or indirect means), it is reasonable to believe that the affairs of any carrier of which control may be acquired by such person will be managed in the interest of such other carrier.

(7) *Investigation by Commission of effectuation of control by nonprescribed methods.*

The Commission is authorized, upon complaint or upon its own initiative without

complaint, but after notice and hearing, to investigate and determine whether any person is violating the provisions of paragraph (4) of this section. If the Commission finds after such investigation that such person is violating the provisions of such paragraph, it shall by order require such person to take such action as may be necessary, in the opinion of the Commission, to prevent continuance of such violation. The provisions of this paragraph shall be in addition to, and not in substitution for, any other enforcement provisions contained in this chapter; and with respect to any violation of paragraphs (2)—(12) of this section, any penalty provision applying to such a violation by a common carrier subject to this chapter shall apply to such a violation by any other person.

(8) *Jurisdiction of injunctions, etc., against violations of section or orders.*

The district courts of the United States shall have jurisdiction upon the complaint of the Commission, alleging a violation of any of the provisions of this section or disobedience of any order issued by the Commission thereunder by any person, to issue such writs of injunction or other proper process, mandatory or otherwise, as may be necessary to restrain such person from violation of such provision or to compel obedience to such order.

(9) *Supplemental orders by Commission.*

The Commission may from time to time, for good cause shown, make such orders, supplemental to any order made under paragraph (1), (2), or (7) of this section, as it may deem necessary or appropriate.

* * * * *

(11) *Plenary nature of authority under section.*

The authority conferred by this section shall be exclusive and plenary, and any carrier or corporation participating in or resulting from

any transaction approved by the Commission thereunder, shall have full power (with the assent, in the case of a purchase and sale, a lease, a corporate consolidation, or a corporate merger, of a majority, unless a different vote is required under applicable State law, in which case the number so required shall assent, of the votes of the holders of the shares entitled to vote of the capital stock of such corporation at a regular meeting of such stockholders, the notice of such meeting to include such purpose, or at a special meeting thereof called for such purpose) to carry such transaction into effect and to own and operate any properties and exercise any control or franchises acquired through said transaction without invoking any approval under State authority; and any carriers or other corporations, and their officers and employees and any other persons, participating in a transaction approved or authorized under the provisions of this section shall be and they are relieved from the operation of the antitrust laws and of all other restraints, limitations, and prohibitions of law, Federal, State, or municipal, insofar as may be necessary to enable them to carry into effect the transaction so approved or provided for in accordance with the terms and conditions, if any, imposed by the Commission, and to hold, maintain, and operate any properties and exercise any control or franchises acquired through such transaction. Nothing in this section shall be construed to create or provide for the creation, directly or indirectly, of a Federal corporation, but any power granted by this section to any carrier or other corporation shall be deemed to be in addition to and in modification of its powers under its corporate charter or under the laws of any State.

* * * * *

Section 20a of the Interstate Commerce Act, 49 U.S.C. 20a, provides in pertinent part:

§ 20a. *Securities of carriers; issuance, etc.*

(1) *Carrier defined.*

As used in this section, the term "carrier" means a common carrier by railroad (except a street, suburban, or interurban electric railway which is not operated as a part of a general steam railroad system of transportation) which is subject to this chapter, or any corporation organized for the purpose of engaging in transportation by railroad subject to this chapter, or a sleeping-car company which is subject to this chapter.

(2) *Issuance of securities; assumption of obligations; authorization.*

It shall be unlawful for any carrier to issue any share of capital stock or any bond or other evidence of interest in or indebtedness of the carrier (hereinafter in this section collectively termed "securities") or to assume any obligation or liability as lessor, lessee, guarantor, indorser, surety, or otherwise, in respect of the securities of any other person, natural or artificial, even though permitted by the authority creating the carrier corporation, unless and until, and then only to the extent that, upon application by the carrier, and after investigation by the Commission of the purposes and uses of the proposed issue and the proceeds thereof, or of the proposed assumption of obligation or liability in respect of the securities of any other person, natural or artificial, the Commission by order authorizes such issue or assumption. The Commission shall make such order only if it finds that such issue or assumption: (a) is for some lawful object within its corporate purposes, and compatible with the public interest, which is necessary or appropriate for or consistent with the proper performance by the carrier of service to the public

as a common carrier, and which will not impair its ability to perform that service, and (b) is reasonably necessary and appropriate for such purpose.

(3) *Scope of Commission's authority.*

The Commission shall have power by its order to grant or deny the application as made, or to grant it in part and deny it in part, or to grant it with such modifications and upon such terms and conditions as the Commission may deem necessary or appropriate in the premises, and may from time to time, for good cause shown, make such supplemental orders in the premises as it may deem necessary or appropriate, and may by any such supplemental order modify the provisions of any previous order as to the particular purposes, uses, and extent to which, or the conditions under which, any securities so theretofore authorized or the proceeds thereof may be applied, subject always to the requirements of the paragraph (2) of this section.

(4) *Form and contents of application; oath and signature.*

Every application for authority shall be made in such form and contain such matters as the Commission may prescribe. Every such application, as also every certificate of notification hereinafter provided for, shall be made under oath, signed and filed on behalf of the carrier by its president, a vice president, auditor, comptroller, or other executive officer having knowledge of the matters therein set forth and duly designated for that purpose by the carrier.

(5) *Disposition of securities described in application, etc.*

Whenever any securities set forth and described in any application for authority or certificate of notification as pledged or held unencumbered in the treasury of the carrier shall,

subsequent to the filing of such application or certificate, be sold, pledged, repledged, or otherwise disposed of by the carrier, such carrier shall, within ten days after such sale, pledge, repledge, or other disposition, file with the Commission a certificate of notification to that effect, setting forth therein all such facts as may be required by the Commission.

(6) *Notice of application to governors of States; intervention; hearings.*

Upon receipt of any such application for authority the Commission shall cause notice thereof to be given to and a copy filed with the governor of each State in which the applicant carrier operates. The railroad commissions, public service, or utilities commissions, or other appropriate State authorities of the State shall have the right to make before the Commission such representations as they may deem just and proper for preserving and conserving the rights and interests of their people and the States, respectively, involved in such proceedings. The Commission may hold hearings, if it sees fit, to enable it to determine its decision upon the application for authority.

(7) *Jurisdiction of Commission as exclusive and plenary.*

The jurisdiction conferred upon the Commission by this section shall be exclusive and plenary, and a carrier may issue securities and assume obligations or liabilities in accordance with the provisions of this section without securing approval other than as specified herein.

(8) *Guaranty of securities.*

Nothing herein shall be construed to imply any guaranty or obligation as to such securities on the part of the United States.

* * * * *

Section 214 of the Interstate Commerce Act, 49 U.S.C. 314, provides in pertinent part:

§ 314. *Issuance of securities.*

Common or contract carriers by motor vehicle, corporations organized for the purpose of engaging in transportation as such carriers, and corporations authorized by order of the Commission to acquire control of any such carrier, or of two or more such carriers, shall be subject to the provisions of paragraphs (2) to (11), inclusive, of section 20a of this title (including penalties applicable in cases of violations thereof): *Provided, however,* That said provisions shall not apply to such carriers or corporations where the value of capital stock or principal amount of other securities to be issued, together with the value of capital stock and principal amount of other securities then outstanding, does not exceed $1,000,000, nor to the issuance of notes of a maturity of two years or less and aggregating not more than $200,000, which notes aggregating such amount including all outstanding obligations maturing in two years or less may be issued without reference to the percentage which said amounts bear to the total amount of outstanding securities. In the case of capital stock having no par value, the value thereof for the purpose of this section shall be the fair market value as of the date of its issue; and in the case of capital stock having par value, the value for the purpose of this section shall be the fair market value as of the date of its issue, or the par value, whichever is the greater.
